

Converse Consultants

Geotechnical Engineering, Environmental & Groundwater Science, Inspection & Testing Services

Converse Consultants has an immediate opening in its Corporate Headquarters in Monrovia CA, for an IT Technician. This is a full-time position Monday through Friday. You will be providing support for PC's, printers, and Windows 2012 R2 Servers in a local Active Directory environment together with a hybrid Azure Active Directory environment across a WAN and documenting your work in a help desk management program. You will also be providing support for company mobile devices using a Mobile Device Management System.

Additional experience with Microsoft Office 365 as an Administrator including Teams and SharePoint a plus. Any experience in the following will also be a plus: Duo MFA or similar product. Mitel VOIP system or similar product. Sophos Central Security products suite including firewalls and email filtering. Remote VPN access products.

We are looking for individuals who are self-starters and work well in a fast-paced environment. Must be able to multi-task, possess good verbal and written skills, have strong organizational and time management skills. You need to be able to learn new things quickly and retain knowledge. Since you will be interacting with all levels of management and a wide range of highly trained professionals in their discipline along with all levels of support staff and technicians, strong interpersonal skills are essential.

Converse Consultants is an Engineering Consulting firm that employs geotechnical, geologic, civil, and environmental engineers; multi-disciplinary scientists; architects; and planners with demonstrated experience in their respective fields of specialization. Many of them have been with the company for multiple decades.

Converse Consultants is an Equal Opportunity Employer and affords equal opportunity to all qualified applicants for all positions without regard to race, color, religion, gender, national origin, genetic information, age, marital status, veteran status, disability, or any other status protected under local, state or federal laws.
